REMARKS ON THE PENAL CLAUSES

OF THE

Ontario Medical Act,

FOR THE GUIDANCE OF

MEMBERS OF THE COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO.

THE following rules are intended for the guidance of Members of the College of Physicians and Surgeons of Ontario, in carrying into effect the "PENAL CLAUSES" of "The Ontario Medical Act."

Members will bear in mind that no prosecution can be successful unless the evidence against the accused party is sufficient to bring the case within the rules hereinafter laid down.

All communications with the officers of the Council will, of course, be considered strictly confidential.

The "PENAL AND GENERAL CLAUSES" which are referred to, are Section XXXIV, and the Sections which follow it of the Medical Act of Ontario, 37 Vic., Cap 30.

SECTION XXXIV.

This clause enacts that any registered Practitioner convicted of felony shall thereby forfeit the right of registration, or if already registered, his name by direction of the Council, may be erased.

RULE I.

In the first case, the Registrar should be furnished with the *Christian* and *surname* of the party, and the offences for which he was convicted, together with his last-known address, and the place and Assize at which he was tried.

RULE II.

In case any Member becomes aware that a party who has been convicted of felony intends to apply for registration, he should communicate to the Registrar the facts mentioned in Rule I., so that they may be of record in a list for that purpose kept by the Registrar.

SECTION XXXIX.

This Section refers to procuring registration by false or fraudulent representations or declarations, verbal or written, and the penalty to be inflicted upon persons aiding or assisting therein.

RULE III.

As to "fraudulent representations," be prepared to prove (1) any false representation that the person applying makes to bring himself within any of the eight clauses in Schedule "A" to the Act. Such as the alteration, falsification, or forgery of a certificate from any School or College—as mentioned—or of any School or College recognized by the Medical Council. Any material alteration of a Certificate amounts to forgery thereof. A "material alteration" is of the date, name of person, or other fact in the instrument. (2) That the party seeking registration was not practising in Ontario prior to 1st January, 1850, and had not attended one course of lectures at any recognized School. (Sec. XXII., Sub-sec. 2.) (3) In case of Homœopathists and Eclectics, any false representation that the person seeking registration had been practising prior to 1st January, 1850, or for the last six years in Ontario (prior to the date of this Act coming into force, 24th March, 1874.) (Sec. XXII., Sub-sec. 2.)

SECTION XL., SUB-SECTION I.

This clause is as follows :—

"It shall not be lawful for any person, not registered, to practise Physic, Surgery, or Midwifery in the Province of Ontario, for hire, gain, or hope of reward; and if any person not registered under this Act, shall, for hire, gain, or hope of reward, practise or profess to practise Physic, Surgery, or Midwifery, or advertise to give advice in Physic, Surgery, or Midwifery in the Province of Ontario, he shall upon a summary conviction thereof before any Justice of the Peace, for any and every such offence, pay a penalty not exceeding One Hundred Dollars, nor less than twenty-five Dollars.".

RULE IV.

(1) If accused attempt to prove any registration, see that it be done according to Section XL., by the production of the Register with Registrar's certificate. (2) If he hold himself out to the public as a Physician or Surgeon, proof by parties aware of the fact, or the production and proof of advertisement, or proof of sign or notice in other form, published or circulated by him or by his agent, must be forthcoming. (3) If he has attended persons, and treated or prescribed for complaints or illness, the fact may be proved by a patient, and sometimes the Druggist making up prescriptions

signed or ordered by him ; but in this case it must also be proved that he received pay or stipulated for it. (4) If he has taken fees, or been paid for Medical or Surgical services rendered, the best proof will be the evidence of the party who made the payment. (5) Where payment has not actually been made, and he has rendered an account, or has made some bargain for remuneration with the patient, the production and proof of the account, or the evidence of the patient will be necessary.

SECTION XL, SUB-SECTION 2.

This Clause is as follows:—

"Any person who shall wilfully or falsely pretend to be a Physician Doctor of Medicine, Surgeon, or General Practitioner, or shall assume any itle, addition, or description other than he actually possesses, and is legally entitled to, shall be liable, on conviction thereof before a Justice of the Peace, to a penalty not exceeding Fifty Dollars, nor less than Ten Dollars."

RULE V.

(1) Put him to proof of registration as above. (2) Prove that he has pubhed or used cards, handbills, or other sign or means of circulating either e it o "Dr." or the letters M. D. or M. B., or any one of the addiions or titles mentioned in the table of abbreviations in Medical Register, or any other description which would lead the public to believe him to be a Practitioner.

SECTION XL, SUB-SECTION 3.

This Clause is nearly to the same affect as the one preceding, but it will be found chiefly to apply to such Members of the Profession as have neglected or refused to register, and to Practitioners who assume titles to which they are not legally entitled.

HOW TO PROCEED TO PROCURE A CONVICTION.

Go to the nearest or most intelligent Magistrate and lay information which may be sworn to, either on information and belief, or positively (See forms appended.)

The Magistrate thereupon issues his summons, or if he think fit, a warrant, for the arrest of the party ; and if the party served with a summons do not appear, the Justice may on oath or affirmation substantiating the matter of the information, issue his warrant for the arrest of the party so summoned. In case of a warrant issued in the first instance, the Justice shall furnish a copy thereof, and a copy must be served on the party arrested at the time of his arrest.

4. Special meetings may be called by the Presesident, or by a written requisition, stating the special business, addressed to the President (or Registrar), and signed by at least seven members of the Council.

OFFICERS.

1. The officers of the Council shall be a President, Vice-President, Registrar, Treasurer and Solicitor, and such others as the Council may deem necessary.

2. These officers shall be elected annually, and hold office during the pleasure of the Council.

RULES OF ORDER.

1. The President shall preside at all meetings, call the Council to order at the hour appointed, and cause the minutes of the preceding meeting to be read, confirmed, and signed.

2. In the absence of the President, the Vice-Pesident shall call the meeting to order, or a Chairman, *pro tem.*, may, in the absence of the latter, be chosen by the Council.

3. When the President or other presiding officer is called on to decide a point of order or practice, he shall state the rule applicable to the case, without argument or comment, subject to an appeal to the Council.

4. The President shall declare all votes ; but if any member demand it, the President, without further debate on the question, shall require the members voting in the affirmative and negative, respectively to stand until they are counted, and he shall then declare the result.

5. The President or other presiding officer may express his opinion on any subject under debate ; but in such case he shall leave the chair until the question is decided, appointing some other member to take it. But he may decide points of order or practice without leaving his place.

6. When any member is about to speak in debate, he shall rise in his place and address the presiding officer, confining himself to the question under debate, and avoiding personality.

7. When two or more members rise at the same time, the President shall name the member who is first to speak.

8. No member while speaking shall be interrupted by another, except upon a point of order, or for the purpose of explanation. The member so rising shall confine himself strictly to the point of order, or the explanation.

9. If any member, in speaking or otherwise, transgresses the rules, the President shall, or any member may, call him to order ; in which case the member so called shall immediately sit down, unless permitted to explain ; and the Council, if appealed to, shall decide on the case, but without debate.

10. No member shall speak more than once upon any resolution or motion except the proposer, who shall be permitted to reply; nor shall any member speak longer than a quarter of an hour on the same question without the leave of the Council, except in explanation, and then he must not introduce new matter.

11. Any member of the Council may require the question under discussion to be read at any time of the debate, but not so as to interrupt a speaker.

12. No member shall speak to any question after the same has been put by the President.

13. At the request of two members the Yeas and Nays may be taken.

14. Notice shall be given of all motions for introducing new matter, other than matters of privilege and petitions, at a meeting previous to that at which it comes up for discussion, unless dispensed with by a three-fourths vote of the members present. Any matter when once decided by the Council, shall not be re-introduced during the continuance of that session, unless by a two-thirds vote of the Council then present.

15. A motion must be put in writing, and seconded, before it is stated by the President, and then shall be disposed of only by a vote of the Council, unless the mover, by permission of the Council, withdraw it. Every member present shall vote unless excused by the Council.

16 At the close of the Annual Session, the minutes of the last meeting shall be read over, adopted, and signed by the President or other presiding officer.

17. The Registrar shall make a list of all resolutions or reports on the table, which shall be considered "The General Orders of the Day," the order of the same to be as follows :

(2) Reading of the Minutes ;
(3) Notices of Motion ;

(2) The previous question ;
(3) To postpone ;
(4) To lay on the table ;
(5) To commit ;
(6) To amend.

The Chairman shall put the previous question in this form : "Shall the main question be now put?" and its adoption shall end all debate, and bring the Council to vote upon the main question.

19. The Chairman shall consider a motion to adjourn as always in order; and that motion, and the motion to lay on the table, shall be decided without debate.

20. Any member who has made a motion, may withdraw the same by leave of the Council, or it may be allowed to stand, such leave being granted without a negative voice.

The rules of the Council shall be observed in Committee of the Whole, except the rules respecting the Yeas and Nays, and limiting the number of times of speaking; and no motion for the previous question, or for an adjournment, can be received, but a member may at any time move that the President leave the chair or report progress, or ask leave to sit again; and all original motions shall be put in the order in which they are proposed, and shall not require to be seconded.

3. On motion in Committee to rise and report, the question shall be decided without debate.

4. Every member who shall introduce a petition or motion, upon any subject which may be referred to a select Committee, shall be one of the Committee, without being named by the Council. Any member of the Council may be placed upon a Committee, notwithstanding the absence of such member at the time of his being named to such Committee.

5. Committees appointed to report on any subject referred to them by the Council shall report a statement of facts, and also their opinion thereon in writing; and it shall be the duty of the Chairman, or acting Chairman, to sign and present the report.

6. All petitions or communications on any subject within the cognizance of a Standing Committee, shall, on presentation, be referred by the Chairman or presiding officer to the proper committee, without any motion; but it shall be competent for the Council, by a three-fourths' vote, to enter on immediate consideration therof.

No amendment or addition to any of the foregoing By-laws shall be made, unless due notice, setting forth the proposed amendment or addition, shall have been given at a meeting previous to that at which the same comes up for discussion, and all resolutions of the Council inconsistent with the above By-laws are hereby repealed.
